Application For Production Limit Exception
Under District Rule 13

This Application shall be used to adjust the well production limits of an existing well when the withdrawal rights are thought to be insufficient by the well owner. The Board of Directors or the General Manager of the District, after review of all the information submitted in support of the Application, may grant, in whole or in part, an additional withdrawal of groundwater, for such period of time as the Board or General Manager deems appropriate.

1. Application Data:

- A. Name of Well/Land Owner _____
- B. Mailing Address _____
- C. Telephone _____

- D. Owner's Agent _____
- E. Mailing Address _____
- F. Telephone _____

2. Well Data:

- A. Aquifer: Austin Chalk Leona Gravel Buda Limestone Trinity Glen Rose
 Alluvium Other: _____
- B. Use of water: Irrigation Public Supply Industrial Commercial
- C. If there are other wells being used on the same property for the same purpose, list the Registration number or Permit number and the amount of water permitted for withdrawal:

- D. Rate of production: _____ gallons per minute

If for Irrigation:

- A. Number of contiguous acres served by the well: _____ acres
- B. Type of irrigation system: Pivot Flood Drip Other _____
- C. Crop(s) currently under cultivation or to be cultivated: _____
- D. Estimated period of time for which exception to production rule is sought: _____
- E. Estimated acre-feet of water needed to complete crop: _____ acre-feet

If for Use other than Irrigation:

- A. Use of water: Public Supply Industrial Commercial Other _____
- B. Acre-feet of groundwater currently authorized for withdrawal under District rules: _____
- C. Amount of groundwater needed for the beneficial use: _____
- D. On-going activities which have water demands greater than amounts authorized by District rules: _____
- E. Estimated period of time exception to production rule is sought: _____

3. **Location of Well:**

- A. attach a map or sketch, drawn to a scale of 1" (one inch) equaling 2,000' (2,000 feet), showing the location of the well for which the exception is sought; and
- B. show accurately to scale the location of the 3 (three) nearest wells within one-half mile (½ mile) of the well location.

4. **Nearby Property Owners:**

- A. attach a list of the names and addresses of all property owners within ½ mile (one-half mile) of the well location for which an exception is sought, if any;
- B. attach a list of the names and addresses of the property owners of the 3 (three) nearest wells within ½ mile (one-half mile) of the well location, if any;
- C. attach evidence demonstrating that written notice has been provided to all adjoining landowners within ½ mile (one-half mile), if any, and the owners of the 3 (three) nearest wells within ½ mile (one-half mile) of the well location , if any,; and
- D. attach waivers executed by all adjoining landowners within ½ mile (one-half mile) and the owners of the 3 (three) nearest wells within ½ mile (one-half mile) of the well location, if any, stating that they do not object to the granting of such exception.

5. **Information related to production limit exception** *(attach additional pages if necessary):*

The amount of groundwater I request does not constitute waste because _____

I am unable to comply with the District's production limits because _____

The reason I am requesting a production limit exception is _____

Compliance with the production limit rules would create a hardship on me because _____

- Copies of the well registration and of the groundwater withdrawal permit are attached hereto.

I agree to submit any other information the General Manager or the Board of Directors may request in support of this application. yes no

I, the undersigned Applicant, hereby certify that the information herein is true and correct to the best of my knowledge and belief.
